

Spotted anything
unusual?

Nothing will protect your fields more than a **good hard look.**

Cane growers are the key to protecting Australia's fields from exotic insects and diseases that could devastate the industry.

It is important that you are aware of the risk, and if you spot anything unusual in your field you should always check it out and call your local BSES office or the **Exotic Plant Pest Hotline** on **1800 084 881**.

The call is free (except from mobiles) and early detection will help protect your industry.
