

Spotted anything
unusual?

Nothing will protect your vineyard more than a **good hard look.**

Winegrape growers and winemakers are the key to protecting Australia's vineyards from exotic insects and diseases that could devastate the industry.

It is important that you are aware of the risk, and if you spot anything unusual on your vineyards you should always check it out and call the **Exotic Plant Pest Hotline** on **1800 084 881**. The call is free (except from mobiles) and early detection will help protect your industry.

Visit www.planthealthaustralia.com.au for further information and a list of the top priority pests.

LOOK. BE ALERT. CALL AN EXPERT.
